THE COMPETITION

CELEBRATING

15 YEARS

SUMMARY

Tata Varsity Pitch Competition is a national early-stage business pitching competition that celebrates the best businesses coming out of colleges and universities across the UK.

It has become one of the UK's flagship enterprise events, celebrating and showcasing the entrepreneurial flair of young businesses for over ten years now.

The three-stage competition includes an 'Online Peoples' Vote', an exclusive 2-day bootcamp with an impressive line-up of industry experts, highly innovative support organisations and exclusive Grand Final with well-respected individuals from the entrepreneurial eco-system.

In the lead up to the launch of Global Entrepreneurship Week, we will host our prestigious Grand Final the week before, where student and graduate start-ups will compete for a prize pot of **£15,000** to develop their business and the national title.

**£15,000
PRIZE POT**

MEET SOME OF THE PREVIOUS VARSITY PITCH COMPETITION WINNERS

EVEN **@THEEVENPROJECT**

Even is a social enterprise designing and distributing empathetic, cost-effective, and sustainable humanitarian aid products. We are launching the first One-size-fits-all Period Underwear for low income and displaced menstruators. Proper Period Care is linked to better educational outcomes, social mobility, and psycho-social health. Unfortunately, Sanitary Aid Kits have seen little improvements since their introduction over two decades ago. 30 Disposable pads and 2 pairs of sized underwear are simply not enough to allow menstruators to take care of their periods in crises that often see individuals displaced and out of income for well over 4 years. We hope by taking the costs down this will mean many more women can access what they need to take care of themselves safely and with dignity.

theevenproject.com

DRILL SURGERIES **@DRILLSURGERIES**

Drill Surgeries is a high-tech startup developing the first AI algorithms to operate on patients without radiation and in less time at hospitals worldwide. By providing our unique Artificial Intelligence software combined with mixed-reality headsets, we give surgeons a universal tool to treat patients regardless of their bone injury. While we create and provide the new gold standard in surgical guidance, our current clinical trials already show a potential reduction of 75% in operating time and 60% in radiation.

THE WASHING MACHINE PROJECT **@THEWASHORG**

The Washing Machine Project is a Community Interest Company dedicated to alleviating the burden of hand-washing clothes for low-income and displaced persons around the globe. Hand washing clothes is a laborious task that can take up to 20 hours a week and adds to the burden of unpaid domestic labour disproportionately carried out by women and girls. By developing off-grid, manual washing machines that save time, labour and water, The Washing Machine Project aims to address issues of gender inequality, unpaid domestic labour and water scarcity in humanitarian settings.

with JLR

CREATIVE AND DESIGN

with Tata Elxsi

HEALTH AND WELLBEING

*with Tata
Communications*

Triple your chances of success in our competition
by entering **TWO** categories of your choice, as well
as participating in the **Online Peoples' Vote!**

THE ONLINE PEOPLES' VOTE

Last year, the Online Peoples' Vote winner triumphed with an impressive 11% of the overall public vote!

In 2023, Elbow Engineers was fast-tracked through to the final, receiving the benefit of the Bootcamp stage mentoring in preparation for pitching alongside the other category finalists for the grand prize.

At Noon (12.00 BST) on Monday 23rd September 2024 entries will be publicly revealed and open for votes, until Noon

(12.00 BST) on Friday 27th September 2024 only. Share your pitch amongst your community and encourage them to vote to be in with the chance of being fast-tracked for a guaranteed place in the 2-day exclusive Bootcamp and the Grand Final on 12th November 2024.

All pitches submitted are eligible to be fast tracked, regardless of the categories they are applying for. The pitch with the highest number of public votes wins the place to compete at the Grand Final in November, alongside the individual category winners.

LET'S TELL THE WORLD

TATA VARSITY PITCH LAUNCH NEWSLETTER

The hunt for the best student and graduate business idea has officially launched, with £15,000 and other money can't buy opportunities to get your hands on.

NACUE has partnered with Tata, to fuel the fantastic ideas coming out of colleges and universities across the UK with their national business pitching competition and celebrate over 10 years of supporting young entrepreneurs.

Practice your pitching skills, gain feedback for your business and get your idea in front of the people that matter. The winner takes home £15,000 equity free cash, a national title and marketing opportunities.

The competition is open to any current students at a UK university or college or anyone who graduated in 2017 or later.

Find out more and apply on dedicated webpage [TVP2024 WEBSITE](#), by Noon (12.00 BST) on Friday 6th September 2024 and go for it!

TESTIMONIALS

“The goal of the Tata Varsity Pitch competition is to engage and encourage young entrepreneurs. It has been a privilege to work with The National Association of College and University Entrepreneurs (NACUE) to build and develop the competition over the last fifteen years, with hundreds of young companies participating and showcasing their businesses.

Many Tata businesses participate as mentors, and we believe the Tata Varsity Pitch is an exceptional platform for young entrepreneurs to reach a wider audience and build out their network of contacts.

We are very excited to have WIRED involved again this year, we’re looking forward to seeing the entrants and we wish them all the very best of luck.”

TIM JONES CBE

Executive Director, Tata Limited

“The Tata Varsity Pitch 2023 was an incredible springboard for Even, with massive upshifts in our pace and visibility. For any start-ups considering applying so go for it! The Tata Varsity Pitch is really a huge partnership with so many organisations coming together to create opportunities for young entrepreneurs. Since joining the family, it feels like we have 100’s more people fighting in our corner.”

ABOUT NACUE

NACUE (National Association of College and University Entrepreneurs) is committed to advancing education and supporting bespoke solutions in developing greater engagement with students, to encourage the knowledge building of enterprise and entrepreneurship, working with students from diverse backgrounds, providing unique opportunities to support them in developing the skills they need to succeed.

Launched in 2009, NACUE completed a national roll out focusing on the development and sustainability of over 200 enterprise societies driven by young people on a peer-to-peer basis, with the support from the UK Government and corporate backers.

NACUE runs some of the largest student enterprise events in Europe, such as the Student Enterprise Conference and has seen over 20,000 people attend their events. Their community alone has generated over 1,600 businesses in innovative spaces, creating hundreds of jobs and supporting the investment our country needs.

They have engaged over 180,000 students in enterprising and entrepreneurial activities and are recognised by UNCTAD as a 'global best practice in youth-led enterprise models'.

ABOUT THE TATA GROUP

Founded by Jamsetji Tata in 1868, the Tata group is a global enterprise, headquartered in India. The group operates in more than 100 countries across six continents, with a mission 'To improve the quality of life of the communities we serve globally, through long-term stakeholder value creation based on Leadership with Trust'.

Tata Sons is the principal investment holding company and promoter of Tata companies. Sixty-six percent of the equity share capital of Tata Sons is held by philanthropic trusts, which support education, health, livelihood generation and art and culture. In 2020-21, the revenue of Tata companies, taken together, was \$103 billion. These companies collectively employ over 800,000 people. Each Tata company or enterprise operates independently under the guidance and supervision of its own board of directors.

Tata Sons has a wholly-owned subsidiary, Tata Limited, in London, UK. Among other functions, the office has the responsibility of promoting the Tata brand, identifying new business opportunities for the group, and facilitating synergies between group companies in the region. In the UK, Tata operations span a diverse portfolio of 19 companies with over 60,000 employees. These companies include iconic brands such as Jaguar Land Rover and Tetley Tea as well as leading businesses such as Tata Steel, Tata Consultancy Services, Tata Communications, the Indian Hotels Company, Air India and Vistara.
